“ to the daigle family,
i am sorry for your loss. i knew murray when he was a teenager and
lived in hamshire with his mom. i've known his mother for many
years, plus she is my beautician. the lord needed another soldier
and he chose murray. he is in a much better place. his mother made
me realize, when she told me that he was sick, that the lord puts us
here for just so long and that our children are gifts from god and
does not guarantee for how long. that helped me realize a lot about
death and missing our loved ones, but it does get better and you all
will become stronger. god bless all of you.

“ Both sadness and joy are felt for the loss of a loved one. Memories
are the things we keep in our heart forever.

So sorry for your loss, peace be with you and God Bless

“ My heart hurts so much for everyone, especially my sister. Rhonda
you are an amazing person I wish I was half as strong as you.
When they said forever or worse, for richer for poorer, in sickness
and health until death do us part, y'all marriage explains it all. You
were there for him, No matter what. I admire you for that, and I'm
sure Murray is looking down on you and saying " Thanks Verdin".
Lol.
