“ *It's makes me sad when I think of how many people from our old neighborhood have passed in the last few years, especially when I think of how young most of them were. Two of my siblings included. I'd like to think they've all been reunited and are enjoying each other's company like we did so many years ago. To Molly's family, just know that she is in God's arms and in the company of all those loved ones gone before her. God blessed you when he gave you Molly and may he continue to bless you now in your time of need.*

“*Ronnie, Mary, Scotty & Family: When I received word that Molly had past away, I was very saddened & upset. However, in the next moment, I remembered when we were young, on Sunday afternoons being in the country @ MaMa Tits chasing the chickens & playing in the yard. We were all there, Rosanna, Ramona, Jan, Vanessa, Terri, Pete, Lisa, Maxine, myself and etc. The adults always gather to enjoy coffee. I also recalled our high school days @ Rayne High. Molly always had a smile on her face & was always cheerful. Even as we became older, I will always remember her smile. Last year I was able to see Molly alot Espically, on Friday nights @ Notre Dame football games, watching Jerry play, she really enjoyed that. I remember last year for the ND Homecoming parade. I had just returned from work and was getting ready to walk over to ND to watch the parade. My door bell rang, and Elizabeth said that two women were @ the door. When I went to answer the door, there stood Judy Lavergne and Molly. They were surprised that I lived next to N.D. school and were glad. Molly needed the restroom. I really enjoyed talking with her and Judy. It brought back memories of high school. Molly cheering, Judy, the wolf, and Janice the majorette, we had good and fun times. So, Ronnie, Mary, Scotty and family, know you had a very special wife, mother and we had a very special cousin and friend who we will always love and remember. Molly, rest in peace.*”
