“ I remember all the fun times we had the times you gave me money the times you got me out of trouble and the time you let me go to work with you i will never forget those days.

Whenever I heard you died i was so sad i was crying and breaking things and its all because i was so young so it's like they took you away from me to early and it was not right so I was very sad about it i couldn't even talk to nobody no more but its nice to know that you are now in a better place I LOVE YOU SO MUCH PAWPAW.

I would do my best to be somebody better and not get into trouble nomo

“ *Sharae & Martin Coleman III extend our deepest condolences to my Aunt Edith, Kris, Erin, the grandkids, Uncle Nathan's sister & brothers, extended family and all who were close to him. My Uncle referred to me as "My Niece" every time I saw him. The hilarious memories will always be cherished and talkpoints at family gatherings. Uncle Nathan will be missed more than words can ever express. To my family, God will grant each of you and us comfort, and while doing so, let's remember the good and happy times. Peace and Blessings.*
