Only 2 weeks today. It has been the hardest 2 weeks of my life. Nanny misses u so much Nata Bait. I have ur funeral call n my truck and u will ride with me and dryftie forever. I love u my sweet Nata Bait/Nate Dawg. We will never forget all the vacations we went on and u came with our family bc u didn't like to leave my side. I wil never forget the nite u called and asked if I had a skirt u could have. I didn't have one so brought u to the store to get one, and u wore it to school the next day. So many fun hunting trips with ur family and ours. Fishing trips were always a blast every Easter and July 4th weekends. #blast Nate Dawg was the life of the party. Such a good personality and funny.

That boy could caught some fish now. U will still be with us in spirt on every trip we go on.

Be our angel and help the lord keep us all safe while we all do the things we love to do.

One day Nanny will see u again we will walk the streets of gold together. I know Jesus lived n ur heart bc u asked him to on one of our many trips with us. So glad we prayed that day bc I am positive I will see u again. U live with the father and I will meet u there when my tickets is pulled.

RIP NATE DAWG

We love u forever and always

Love Nanny, uncle Rick, Dryft and Alexis

“ I never said thank you for being the best first boyfriend and first love my sister could of ever had the honor of having. You cared for her, loved her, and supported her since the day you began dating. You made her do happy. She was happy being herself. You were the most talented and hard working kid I've ever met. We love you so much kiddo. I am so proud of how far you came and everything you did. We will miss you and honor as long as are still here. It won't be the same without you. Your energy and light will always be missed. Aurora loved your playful energy, you were her favorite to play with when you were around. Thank you for being so great. Watch over everyone, especially maddi. You will forever be her soul mate ❤️💛

“ I can only imagine the pain that friends and family go through when someone so young is lost. I only knew Nathan through my granddaughter, Mikayla, who only ever has good things to say about him - the way he called out KAYLA when he saw her, the long talks during hard times, the lasting friendship that will live on in her heart. She will never forget his kindness, and I am ever so grateful to him and his family that Mikayla had someone like him in her lifetime and now in her forever memory.

“ We are saddened and in shock by the loss of Nathan. This kid was always smiling and enjoying being at school with us. He and I had many conversations about welding and motorcycles. The excitement he had when talking about these things is unexplainable. He is already missing by everyone who knew him. Prayers go out to his family and friends.

“ Young man you are so loved and will forever be missed. Can't begin to say honored I am to have been called nanny, by this amazing young man. We always went on vacation and when we went he came with us. Enjoyed many days on the beach and many days fishing with him, we also hunted for many yrs with him and his family. Always was such a joy to be with and brought so much joy, laughter to our lives. Those days and moments will be forever cherished. He and our daughter were very close a lot like brother and sister. He adored her like a little sister. She will never forget that you were like the brother she never had.

You will forever be in our hearts, missed and loved.

We are proud of the accomplishments you have achieved in your short life.

Love Nanny, Uncle Rick, and Dryft
