“ I grew up with Nathan in the same neighbor as a kid. I have a lot of fond memories of the time that I spent with Nathan and his brother John. We always had something going on. WE enjoyed playing sports no matter what season it was football, basketball, baseball. Most of all I enjoyed our many campouts, hunting and fishing trips. May you Rest In Peace my friend. “ I've known Nathan for a long time. We were in the same class in high school, and he and Sheila have been my neighbors for over 20 years. Nathan was truly the nicest and most genuine person I've ever known. I hate that he and his family have to go through this terrible time. The world is a little less bright without Nathan in it. I pray for him and know in my heart that, if anyone goes straight to Heaven, it's Nathan. God bless his wonderful heart.

“ It was almost a year ago when I wrote about Nathan only to be corrected that was his Dad passing. As a matter of fact He corrected me. To hear and to read about his passing is a total shock and I could relive in what I best remember of Nathan it was back in our High School Days during the track season Nathan was our trainer and those that ran track and you were pull muscle Nathan was there working on those pull areas he was always laughable and friendly, and carried over to him working in the Pharmacy when i talk with him along with his sister and we went back in time and he ask about my Cousin Anthony Figaro they were classmate Rest in Peace and he was my Aunt Dee phamist . Thank you for all your conversation and friendship toward our family also your Brother John was a great guy as well.

“ *Sheila and family, Christy and I continue to pray!! It's hard to reflect on one memory as Nathan was such a kind, joyful, loving friend and always a blessing to be around. Years ago, though, during Lent, I lead a Friday afternoon Way of the Cross. Unexpectedly, as we began to pray, the beautiful soft sound of a fiddle filled the church and everyone's hearts. I'll never forget; I prayed slower and slower because I didn't want it to end. Fr. Bill and Nathan likely cooked up the idea, and every time I prayed the Way of the Cross after, I hoped Nathan might be in the balcony to surprise us again. The sounds were directly from God and it was fitting that Nathan delivered His grace! RIP my friend, we love you!*

*Nathan was as fine a man as I have ever known. His entire family and extended family are some of the finest people I have ever met. We were in the Lion's Club together and worked on a lot of projects together. I have done all of my pharmacy business with Nathan since I joined the Lions Club. Upon return from Cursillo he hosted a supper with all of the other local cursillo members*

*May Nathan Rest In The Lord's Peace.
