“ *Back in 1950 I was a senior and Nettie was a sophomore but being a small school everyone knew each other. Through the years I manage to visit with her at Worthmore quite a few times. She was always a nice lady to visit with. To the family you have my deepest sympathy on such a great loss...may she rest in peace...*

“*Nan Nettie will be missed, but she is in Heaven now with her beloved kin who have passed before her. She is happy now and will rest in eternal peace and wait until she is joined by those she left behind.*

My memories of her are of a beautiful, gentle soul who was a favorite in every crowd she graced. Her presence was always a calming one but there was never any doubt of her innate strength and courage. I know she had a very special place in the heart of my Ma Ma Effie. They always seemed to share some kind of amazing bond.

I'm sorry we aren't able to attend her services but she will be in our prayers as will be everyone who mourns the profound loss of this beautiful woman. I am so happy to have wonderful memories to carry in my heart.

Our love to you all, Michele & Antonia
