“ We were so sad hearing we'd lost a dear friend in Nick. What special individual he was, so genuine, kind, very giving, someone you don't meet everyday and Doc and I were so blessed by him and his precious wife Ann. Who knew a ride in Charles' last T6 would be the beginnings of such a friendship. He always had a smile and good words for us even though we knew he was not always feeling well. Ann, many thoughts and prayers for you and your family. What a huge loss for everyone he ever met, he was always an instant friend, we will miss him always.

Much love,
Doc Charles and Peggy Tucker

“ Nicholas Anthony Gossen was a hardheaded, but very proud German with a kind, compassionate, loving heart. He was my big brother and i loved him very much. My husband Michael passed away 11 years ago, and everytime I would see Nick I would ask him how he was doing he would say I am doing good, even though I knew he probably wasn't, he would then turn it around and ask how the kids and I were doing and if we needed anything! That's just the kind of person and brother he was, always, always willing to help anyone with anything at any time! Nick was a loving husband, father, father in law, grandfather, great grandfather and brother. He will be missed by so many people whose lives he has touched, but most of all he will be greatly missed, and always loved by us, his family! So big brother fly high, you fought so very hard till the end, now go rest high on that mountain, or in your case your combine or tractor, watching over Ann, your family and your land! You may be gone from us physically but your presence will always be felt! I love you Nicholas Anthony, till we meet again...

“ *What can I say about Nick Gossen? There aren't enough words to describe him. Suffice it to say that he was the kind of man that would give you the shirt off of his back in -20° weather. Such generosity! He was my husband's best friend. When he passed away, he became a second father to my son. My most sincere sympathy to Ann and his children. We loved him so, and he will be sorely missed. Love and blessings. Jeannie Johnson and Family*
