“ *I am so sorry to hear of the loss of your mother. Norma was a good friend. We had some good times when we were young. Norma, Louis, Daniel and I had fun times together. My fondest memory of her was her infectious laughter. Many of my memories revolved around our big dinners with her fried chicken and all of our kids. We always did family things together in good times and bad that created a bond of friendship that was always present. Even after our lives went in different directions and we had times apart; connecting again was always easy and welcomed. She will be missed by Monica and I. Condolences and Lots of Love,
