“ We loved to hear him play his music. He made a point of visiting his uncles and shared their love of music. Even though we saw him seldom, he was always the same person we knew from years past. He was a special cousin to me. Our thoughts and prayers are with his family during this difficult time. Vira Pryor Evans

Our last few years have been limited to frequent phone calls which I will sorely miss. I will hold your memory close my very dear cousin and hear the music you made.
