“ To a dear friend that goes back many years. Ouida's graduation class at Rayne High was 1948 and mine in 1950. Such a small school that we all knew each other, but Ouida was always ready for a real good smile and good conversation. I manage to see her and her class mate every time they had a reunion cause I was always invited. Therefore, my wife Elbie and I have seen her quite often through the years. Lloyd and Hazel who I also remember, but all the family have our condolences. Such a nice person we have lost.

“ Ouida was a precious lady we got to know through her marriage to Bill Merritt. Lane , her step son, is our brother in law and through him we got to know her. Was sorrowful to hear of her home going. Was a pleasure to know her. Gary and Myra Bass

“ This earth lost a wonderful person with the passing of Aunt Ouida. She was a kind and gentle person and always had something good to say. I will miss her smile and her laughter, and the way she always made you feel comfortable when you were around her. May God comfort all who knew and loved Ouida and mourn her passing.

“ Such a blessing having known Ouida - a lady that carried herself with such grace and poise. You will be missed by many. I am so thankful you were a part of our lives and so loving to all of us. I will always cherish the memory of Ouida inviting my boys to the Bible School class every year. She was more than just an Aunt to us - she was a friend.

Many prayers, may God comfort all of you.
