I really wanted to be there today, I been thinking of you and praying for you all day long. There is nothing I can tell you to make the pain go away, I know that pain all to well. But I can promise you that with each passing day you will eventually find a way to be able to deal with this loss. But know there are lots of family, extended family like myself and friends who love yall. Try and take care of yourselves. I hope to see yall one day soon.
