“ Growing up as a kid is my everlasting memory of Miss Patty. If you were a friend of her children her home was always open to you. We always thought of her as one of us because she treated us the way we wanted to be treated, like kids just wanting to be kids. You felt special if you got to eat one of her awesome fried potato pancakes. And that’s how I remember her My heart goes out to the family for their loss.

“ I’m going to miss my "Jewish" mother. To share how Pat affected my outlook on life would thke a book to wright. She was one of the funnies people I had the pleasure to know. Her humor and sharp wit always made me take life and my self a little less seriously. Thank you Pat. Love you and miss you. Johnny V Richard

PS

Johnny, the way mom felt about you was that of another son. She often asked about you whenever she spoke to Daniel. When my pastor met mom last week, the first thing he said was, "I see where Patti got her sense of humor." LOL Mom knew by then she was terminal yet still was able to interject some humor. I am most thankful that she developed a relationship with Christ and that I am assured that I will see her again.

“ Aunt Pat will always be a happy, smile making memory to me and my cousins and our families. My girls, although young at the time still remember her making up her face in black paint, dressing like Aunt Jemima with stuffing in her curvy areas and do a dance to CC Rider. Looked forward to her encore performances each time. And remember when she went around at a gathering with a oversized tshirt with the print of a beautiful bikini body front and back that her head attached to? That was so cool!!!! She was a good cook along with her sisters and I will never forget her laughter. love, Fleecy

PS

She was a hoot wasn't she? She came to develop a loving relationship with Christ which was the greatest gift I could have ever asked for. Knowing that I will see her again in heaven brings such joy to my heart.

She will always hold a place in my heart. I am grateful for the opportunity to show her God is always in control. I recall her asking if the church sent me. The look on her face when I replied no, I wanted to do something nice for you. Priceless!

“ I am very sad to learn of Pat's passing. She was an important part of Rayne with her time at the hospital and was part of one of the oldest families in our town. The Baer family contributed much to the growth of Rayne. I am sure that many people here in Rayne will be sorry for this news. I pray the God will bless all of the family and be with them and keep them during this sad time of loss. He will be close and give you the love and support needed now.. My sincere condolences and sympathy on her passing.

I will always remember my Aunt Pat as one of the funniest most caring persons I didn't get to be around her much but the times we were together were memorable. She always cared about what was happening in the lives of people around her especially family. She will always be remembered and loved. RIP Aunt Pat. My sincere condolences to my cousins in this time of loss.

Patti Lynn, Daniel, Steven, and Gary you had the most funnest Mom! Even though it seems like eons ago, I still remember the house yall lived in at Rayne along the highway. I always enjoyed visiting and watching what teenagers did! Aunt Pat cooked the most amazing food!!! That's when I went from a little bean pole to a plus size fourth grader.. Will never forget that special dance she would do at family gatherings. So much fun!!! All who knew Aunt Pat were blessed to have known her. Her beautiful personality and sense of humor will certainly make Aunt Pat unforgettable.
