“Nanny” as we all called her will surely be missed. She was such a great kind hearted person & loved life to the fullest. My greatest memories of her is her love for dancing & shaking that finger of hers while she did it. I know she is now in Heaven spending time with her parents & my Ma & Pa. Her sister & brother n law she loved so much. I'm sure Pa called her "Bee" the minute they welcomed her above. I will miss her more than words can say & we love her so much.

“Will never forget all the Christmas's we spent together and the kids put on the plays for us. Patricia would make us laugh so much trying to act like we treated her grandchildren different from the Dugas's. She was always so full of life. She was one of the Dugas family, Always. We love you and you will be missed.
