“ I am so sorry to hear of your loss, my thoughts and prayers are with the family. I too have great childhood memories of visiting the farm and the love that surrounded us from Uncle Winfred and Aunt Renola.

“ Although no words can really help to ease the loss you bear, just know that you are very close in every prayer.

“ So sorry to hear of Aunt Renola passing. Even more sorry I will be working and miss the services. What I'm really sorry for is we never got to see all of you as much as I would have liked growing up. I have always held the memories of time spent in Indian Bayou as my fondest. Aunt Renola was always so sweet to me and as my Godmother, she always sent me a card on my birthday and other occasions. It breaks my heart not to be there with all of you, but know that I share your grief. Robert Earl

“ Aunt Renola,
Even though you are my second cousin, our parents had us call you 'aunt' out of love & respect.
What an 'aunt' you were to so many! If I were to look up the word 'kind spirit' in the dictionary, you're picture would be beside it as the definition. What memories we have from visiting the rice farm, riding Trigger, the horse, listening to Ruthie play the piano, to putting our feet under your table of food! Not only did you show us the love of Cajun cooking, but feeding others with laughter. I'm proud to call you my Aunt Renola. Give Nan a hug for me right after you Uncle Winfred. My heart reaches out to my Louisiana cousins from across the miles of Texas.
