“ I've known Richard since I was 14. I met a friend of his at the Frog Festival one year & a few days later his friend brought him to my friends house & Richard convinced me that HE was the guy I met although he wasn't lol. And that started a friendship that lasted nearly 20 years. We were just starting to talk again on FB & catch up after a 2 year gap in our friendship. I only wish we had more time with him. His friends, family, wife, children. He will be dearly missed & my condolences to all his loved ones. R.I.P Richard 🥹
