“ After searching off and on for several years for Ricky's family, I found that I missed him by a year. My condolences to Ricky's family. His big brother Ronnie was one of my best friends in Tyler, and I have great memories of his kind and gracious parents. Ricky was a good bit younger than Ronnie and me, so I really never got to know him well, but all of the kind statements about him in his tributes are just what I would expect to see because of the quality family he came from. I moved away in my senior year at JT high school, or maybe I could have become a friend of yours. I'm sorry I missed that. Rejoice with the angels in the presence of your savior.

“ I met Ricky at 16 years old and we hired him at George Wholesale. He worked hard and got to know all kinds of details about the customers whom all thought a lot of him. He was a good man and I wondered where he went since he moved to LA. God be with you Ricky, until we meet again.
