“ I was so sorry to see the obituary in the paper. I will miss Bob even though we have not seen each other for years except for his trips to Lafayette General. He was a good boss to work for at Kroger. I respected him then and every since. I will continue to keep him in my daily prayers. I will also pray for you and your family as well.

“ Audrey, Dena and Pam.....I am sorry to hear about Bob's passing. As you know, he was a mentor to many people who crossed his path and had a chance to share private conversations with him, including myself. He always seemed to have that "spirit" that would brighten the room and the special characteristic of making everyone feel special with his charm. I will always remember the conversations we had and how he molded others to become better. I know he missed his "work" after his retirement but also know that he had many friends who called or stopped by to speak to a man who truly affected their lives in a positive way. I will miss the occasional visits with him and all of his colorful stories from the past. May God bless and comfort each of you as you remember the husband and father who loved and cared for each of you.

“ Audry and Family: May his days of medical hardships here on earth be relieved by the presents of God. He is no longer suffering and is now smiling upon you, his loving family. The last time we visited with Bobby was at a card table in Kinder. We enjoyed his happy and funny attitude. This is the Bobby we will always remember. Remembering you in our prayers, thoughts, and hearts. If you keep him in your hearts he will always be near!

“ *Please accept my sincerest condolence for your loss. Your tears are not unnoticed by the Creator of Life and I certainly hope that the help God can give at this time will make a difference. Psalms 55:22 says, "Throw your burden upon Jehovah himself, and he himself will sustain you." Revelation 21:4 mentions a time when He will wipe all our tears away and death and sorrow and pain will be no more. May these promises from God bring you a measure of comfort during this very difficult time.*

“ Dear Audrey and family  
Please know that my thoughts are with you all today. I was saddened by this news. Mr. LaFosse was a "family member" of the "Kroger Days". It was good to often see the two of you around town after those days ended. Take care and God Bless! Sherry

“ Dear Lafosse family and friends, I was sorry to read about the death of your loved one "Robert". I know how it hurts when a loved one dies my heart goes out to you. Please accept my sincere condolences. May you be encouraged as I was by our Heavenly Father's loving promise that he will reunite us with our dear loved ones by means of a resurrection on a paradise earth in peace and happiness in the very near future(Acts 24:15;Psalms 37:11,29)Learning what the Bible really teaches has aided many to cope during these stressful times. It is my hope that your happy memories of "Robert" and God's precious promises warm your hearts and help make your present pain a little easier to bear. Again my deepest sympathy to you.
