“ My heart is broken for Jackie, Wade, Dawn and for all who loved and will miss Robert. My heart is also broken for Robert because he is gone much too soon. He was a good, hardworking man who loved his wife and family above all else. He was always willing to help anyone in need at any time. He worshipped his precious grandchildren and was a wonderful uncle to all his nieces and nephews. I remember his love of horses and his love for all the dogs who were lucky enough to be his..especially Apollo now. I am comforted by the fact that he knew he would soon be with his God and his loved ones waiting for him with open arms. He wanted nothing more than for his children to be happy and knowing they are gave him peace. Those are my memories of Robert. When I think of him I will smile. All my love.

“ Robert was a wonderful man. It was a pleasure to get to know him just short four years ago. He was so generous and kind to us and boy, did he make the best gumbo for us at Christmas time three years ago! He was the perfect host along with Jackie, and we will miss our visits with him when they came to AZ to see their kids. Our thoughts and prayers go out to Jackie, Wade, and Dawn. I hope your cherished memories carry you through the hard times when you are missing him.  
Love, Jim and Tamra Reidhead

“ Robert, you were a good friend when we were growing up. After all we only had to walk across the field to get to each other's house. I loved your Mom and Dad. They were always so kind. The hunting memories will always stay with me. One in particular. We walked over to Charly's house to get him about 3:00 one morning and he came to the screen door at the back of the house all doubled over and told us he wouldn't be able to go with us. Well, we went anyway and when we got back later, we found out Charly was in the hospital having undergone an emergency appendectomy. You were always a man of Honor. You were slow to anger and quick to forgive. Looking at your picture brings back so many good memories. Rest in Peace dear friend.
