“ Was a classmate of Rosalee graduating in 1958. She was a very nice girl and enjoyed seeing her at some of our class reunions in the past years. Took several classes with her. JoAnn Smith Harmon.

“ I have great memories of our classmate Rosalie from our school days. It seems like just yesterday we were there and now here we are so many years later saying good-bye to a good friend and classmate as she leaves her earthly home for her Heavenly Home. She is surely happy and singing with the chorus of family and friends she joined and beyond thrilled to be in the presence of the Father, Son, and Holy Spirit! She will be missed.

We wish for all of her family to keep her alive through stories and showing the youth pictures of her through the ages. And watch for and listen for her in each other. You will see her smile, hear her laugh, observe her mannerisms and feel her presence in each other. She left part of herself within every person who loved her, even if they weren't family! Bless you as you keep her memory and legacy alive!

Sincerely,
Church Point High School Class of '58 Classmate Lee Thibodeaux
