“ Ms Rose was truly a special person and special to the Newman family. She was always smiling and so willing to help. She remained a special friend to my mother even though she was no longer a part of our household. Somehow I thought she was much older than us, yet in reality it was her wisdom that made her seem so much older than us. I think it was 1957 when we first met Ms. Rose I don't remember her calling her T Rose, Certainly backed then she was not little just filled with a lot of love. The last time I spoke to her was several months after my mother passed on. She asked about all my family their kids and their health. Then we spoke of her children, grandchildren and great grands. Her face lit up as she so proudly told me of their accomplishments and showed me their pictures. She loved them dearly. Rose never boasted of her accomplishments which were many. She raised 10 children of her own and worked one & sometimes at least two jobs at a time always with a smile and never a complaint Rose was special and will be missed by many. I offer my prayers for all her family and for Ms Rose. Her earthly journey was one filled with love, kindness, hard work, happiness and sorrow. So now it is time for her to rest and enjoy her heavenly home. All roses symbolize God's work in the world & Miss Rose you certainly lived up to your name. You were truly special. “ My deepest condolences for the loss of your Great Mother. My thoughts and prayers are with the Family at this time. Your Mother was a woman of God filled with strength and love. A beautiful, giving spirit, always cheerful and full of laughter. I remember staying at her home on many occasions while growing up. She always welcomed me and shared all that she had with me. The world has lost a special person, while heaven has gained an Angel. Rest in Heaven Big T 🙏🙏🙏❤️❤️❤️❤️

“ *Mrs Rose, whom my mother lovingly called T Rose— was a source of wonderful memories for our family! We all are confident that (in as much as we are so sad to say our goodbyes) Mrs Rose is so very happy now with her family gone before to Heaven! What an incredible lady she was! Her family was so blessed by her life! She and I laughed often about the fact that our families were so very alike. ...
10 children and twins at the end - ours were girls and hers were boys! Even some of our children had similar jobs in the dental profession
Ahhh Mrs Rose was an amazing lady filled with virtuous wisdom and an indefatigable spirit — truly well named! Rose —beautiful flower to brighten everything and everyone around her
our prayers continue for You all and our most beloved Mrs Rose.
