“ I loved Uncle Roy for the man that he was if someone was in need he always step up and did something to help them. I know Loretta, Shane and Travis have nothing but Appreciation and true Love in there Hearts for him and I am so grateful that Uncle Roy Played a part in Shane and Travis lives that it made them the men that they are today. Shane and Uncle Roy worked together and Shane said that from Uncle Roy being in the Marine he was a disciplined man and he carried himself throughout his life as so. For Uncle Roy Reaching my nephews in this manner makes me Love him more. What a wonderful Man!

“ I loved the years he moved the family to Lake Charles. Growing up with Todd, Karen and Jimmy were awesome years. When Richard and I moved to Lumberton, TX from Virginia and got married with 4 kids between us, we were stuck in the renting rut with credit. Nanc Roy took us to the mobil home dealership he worked at and sat us with one of his friends. We left there homeowners. Twenty four years later we are still in our home that raised six kids. It's been long paid for but I will always be greatfull for this man going to bat for us.
