“ Mrs. Judy,

*I am so sorry for your loss. I always remember Mr. Rufus smiling and loved his comical wit. I don't think I ever had more fun selling a vehicle! He was a man who stood by his word and his handshake! While Heaven is now rejoicing with his presence, I hope that your family will find some comfort knowing how many lives he touched.~Gwen~*

“ *Judy and Family,*

*We were so sorry to hear that Mr. Rufus has left us. I know that he is no longer suffering for he is with his Father and other family members who have left us earlier. Please believe that all of you will be in our prayers. This is a difficult time of the year to have to loose a loved one so be with each other through these next few holidays and remember him as he was.*

*Love you all*
