“ *My dad and Ms. Sadie were fellow florists, our entire family loved Sadie immensely; She and Linda were always so friendly and kind to us. We enjoyed our conversations together; She was a great friend who was always willing to lend a hand when needed, and indeed she did help us many times in our time of need. To Linda : You and your mom have touched our hearts in ways too deep to express. We love you and wish you and your family the greatest comfort during this tough time.*

“ My mother was Theresa Arceneaux, though I never knew Aunt Sadie very well, she was loved by my mother and her siblings. As a child I heard her name mentioned very often with cheer and delight in their voices.
