“ I am so sorry for your loss. I too, worked with Sandra at Denbury. She was always cheerful and concerned for others. She loved her family and talked lovingly about Louisiana and her memories there. May God bless you at this time and give you comfort and peace.

“ My condolences to Sandra's family. I worked with Sandra at Denbury and she was one of the sweetest and kindest people I have ever known. She had a smile for everyone and we all loved her. I remember many stories she told of her Louisiana family and of her little dog Gumbo.

“ Ms. Sandra was one of the kindest and most generous persons I have ever met. I truly respected her honesty and integrity. When she lived in Dallas, she took me under her wing and treated me like family. She was a wonderful person and will truly be missed. I feel like I know your family because she spoke of you often and shared stories about the wonderful news in your lives. I take comfort in the fact that she was able to spend her remaining days with family that loved her and that she loved so much.

“ *Bobbie,  
My thoughts and prayers are with you and your family. I worked with Sandra for many years at Denbury and it makes me sad to see her life come to an end. She was a ray of sunshine in my life. I enjoyed listening to her talk about her family and friends from Louisiana. She will be greatly missed, but not forgotten.*

“ *I worked with Sandra at two different companies. She was such a hard worker. She was a pleasure to work with. Everyone at work loved Sandra. She was also a wonderful friend. She was one of the sweetest and kindest people I knew and she knew how to have fun too. I'm sorry that we lost touch over the last few years but I have not forgotten her and the fun times we shared. She will be missed.*

“ I worked with Sandra for 6 years at Graham and while she was a great co-worker, she was a wonder friend. We've kept in touch all these years through cards, letters and phone calls and I'll miss her dearly. I know she is in heaven with Ricky and family. Family was *THE* most important thing to her - I'm so glad she able to get back home to her family she loved so much.
