“ Loretta and I were very sorry to hear about the passing of Sarah. She has meant so much to the Goldsby and Foster families over the years. We all loved her and looked forward to our annual visits each January, although because of health issues in our family we haven't been there for several years now. We wish Sarah's family all the best and our condolences, because we know she meant so much to them all.

“ Deepest sympathy to the family of Sarah Bryson. Our prayers go out to you during this sad time in your lives. It is an honor to have been selected to provide the music for her service this afternoon @ 2 p.m. We hope that this message in music will be of comfort to you.

Know that she now rests in the arms of our Lord Jesus in a place that we can't even imagine how wonderful it is. She has earned her rewards. May she rest in peace.

“ Mac, just looked at the Gossen F.H. obit and saw where your Mother had past away. I'm so sorry Buddy. I know her health has been declining cause occasionally we make Mass in Mire and I would see her. Thank God for the many years that you had with her. Although, it's not easy to loose someone so dear to us. Take care my friend and remember the memories. Voorhies
