“ *My dear aunt Shirley was always known to help and be there for others. She was always a selfless woman as well as her husband my uncle Wilfred. They never had a lot nor did they need a lot, because they gave what they had to others. Aunt Shirley will always be in my memories...when I was in the hospital having open heart surgery she called me and offered a prayer on the phone, she didn't say who it was but I knew tight off that it was her. I will remember that prayer and her words till the day it is time for me to no longer walk this earth. I recite this prayer to you Taunt Shirley and to you Uncle Wilfred since both of you are now together again as it always should be.*

I sit at home thinking of you and praying that the Lord will lay his guiding hand on you and heal you and make you whole again. I dont have anything much to offer but these words of comfort, but these words I share from my heart to yours.

GOD BLESS YOU TUANT SHIRLEY i will miss you forever.
