“ *We want to wish our deepest sympathy and prayers to your entire family at this time. Skylar made a very big impression on our family in a very short time. She's an Angel!! We knew her from our 4 to 5 trips a day at the store and our children just adored her. They now know that she is a Guardian Angel watching over them. They kept asking "why her?". We explained that unfortunately bad things happen to good people and we will never know or understand why. Our entire family was truly blessed to have know Skylar. We will continue to pray for your entire family.*

“ *My condolences to the Credeur family. May you find comfort from God's word at Isaiah 25:8 saying: He (God) will swallowed up death forever, he will wipe all tears from your face. Yes, because of his love and knowing the pain death brings to families, he will cause death to cease, never to return. I hope these facts bring you and your family some comfort and help during the difficult days ahead and your time of need.*

“ To the family of Skylar,

Although we do not know you we felt it necessary to let you know that we are thinking of you at this very difficult and sad time in your lives.

Sklyar's boyfriend works with our daughters boyfriend, so that is how we heard of this. Such a beautiful girl she was. I know no words can ease what you are going thru but I hope it helps just knowing that people care .

May God give you needed strength at this time and in the days to come.

WITH OUR DEEPEST SYMPATHY,

Brad & Debbie Baham and family

Please know that prayers are being sent your way and will continue. With the deepest of sympathy -*

“ I knew skylar basically all my life from diapers all the way past high school. We never had an argument with each other. She said she was always right and I was wrong, which was true. When I hear that one of my best friends dies I can't do anything but freeze and think y did this happen? Even tho I'm in the marine corps, doesn't mean that it doesn't count me any less off a marine or man if I cry. I still don't think this is real, it feels like a dream. But I wish I could fly back to Louisiana and pay my respects to the family. She is a beautiful angel in heaven watching down on all of us. until we meet again may she R.I.P.

“ Skylar was a sweet, beautiful girl, and will be missed by many. The world was a better place with her in it. She touched many lives and will be surely missed greatly. We will always remember her as a warm, hard-working girl with her eyes on any goal she set for herself.

I will remember her as a bright student from Branch, where I worked many years; as the best friend to my granddaughter, Heather; and as a helpful sister to her siblings.

Please accept our heart-felt sorrow at her having left us and you.
