“ Such a sweet lady. She and Coach Everett were always offering encouragement to work towards life's goals. Knew them through a classmate, Paul, also. They are all together now.

“ A truly loving, kind person that I will miss especially when I visit The Ellington. She will be happy though to see Coach Everett once again. Someone she really loves and misses. Living to such a beautiful age. Wow. May God continue to bless her and her family.

“ My sympathy and prayers for Charlie and Paulette and their families. Stella was the last of my 1st cousins. She was a very special and caring person. I didn't get to see her as much in the last several years, but I am so thankful for being able to spend some quality time with her at the end of April 2018. You will be missed more than I can say. I love you with all my heart and will never forget you...until we meet again. RIP
