“ Beverly, I am lost for words.
I can remember the day Steve invited me into your home and took me under his wing and helped me to open up about a family matter. This was back in 1979 while I was a member of the church youth group. That was the first time I met Jeff.
Steve was my rock back then. We all became great friends and I always got a warm feeling every time I went over or saw y'all somewhere. I'm sadder that I didn't get to spend more time with y'all during my adult years.
I will miss him!

My condolences, Roger D. Tabb

I am so sorry to hear about Steve. I loved that man like he was my 2nd dad. He had a big heart. You are in my thoughts and prayers. I am so glad you and Steve came by the office a while back on the motorcycle. It was so great to see both of you. Steve will be greatly missed. I am sorry I can not attend the service, I would have loved to see you again. Take care and remember that Steve is no longer in pain and he will be watching over you.

“ *Beverly, I am so sorry for your loss. I remember when Steve moved into our neighborhood years ago when we were just kids. We went to school together and grew up together. I remember being in y'all's wedding too and how much fun we all had together. I will sure miss him and I know you will too but I am praying that the sweet memories of him will console you. May God bless you. I will continue to pray for all of you.
Love Kathy*
