“ Susan will always be remembered as a remarkable woman. Her love for family, friends, co-workers and the many pets she cared for was exceptional. I can only believe she was called to heaven so soon because God needed her to care for our pets who have gone before us. I find comfort knowing my beloved Miles is with her right now. I thank God for allowing me the opportunity to know and admire Susan if only for a short time on this earth. My prayers are with her family. Lean on God for strength during this time. He is always near to comfort you.

“ There are really no words to express the love I had for Susan. She was such a wonderful person, friend, neighbor, mother, grandmother and pet lover. She will always hold a very dear place in my heart and I hope that for Logan and Conner I can somehow be as giving and selfless as Susan was. Please know that they always have a mawmaw across the gravel road. I love you all dearly and will miss my friend so much. I am here for you all.
