“ To Susan's family I give you my deepest sympathy and prayers. Susan and I had a working relationship many years ago when I was with the District Attorney's office. She was an asset to our team and a very dear friend. She taught me many things that truly helped me in my career. I will always remain grateful for her wisdom, knowledge and dedication to her work. Thank you Susan for being the good person that you were to all of us who truly knew and love you. Rest in Peace my Friend. God Bless, Yvonne John

“ *This was such a shock to see in an email tonight! She was a commishiner at the voting place a week or so ago, and I saw her there. She was always sweet and pleasant. Regrettably, I can't attend her services, as we have three people from France coming in the night before and we already made plans for Thursday. I will definitely keep Faye and the other family members in my prayers.*

I couldn't believe it when I saw this. I just saw her at Trahan's and as usual she was her smiling and sweet self. I will always remember this sweet lady and how we use to share stories of taking care of our dads. Susan was a dear friend to a lot of people and she loved her sisters. My condolences to all of you. I will not be able to attend but you will be in my prayers. RIP Susan.
