“ Dear Berciers, Our heartfelt love to all of you. Every one of you, I know is missing Suzanne in unique and special way. Even as a kid, when I knew her best, she had a way of making everyone feel special and unique. But I live everyday knowing that this world is not our real home. I am sure that as Suzanne reaches her real home, you will see miracles as she intercedes on your behalf. Loving you and hoping to make it to the services. Frank is battling cancer himself.

“ I knew Suzanne through the M.A. classes at Notre Dame Seminary. Upon meeting her for the first time I remember perceiving a deep love of the faith within her. I did not know her very well, but she seemed to live a life of beauty, light, and joy in love of Christ. My heart broke when I received this news. I am certain that she is enjoying the indescribable happiness and beatitude she dedicated her life to now.

“ To the Bercier Family: I am so sorry for your loss, but there is no doubt in anyone's mind that Suzanne is now basking in the love of Our Lord Jesus Christ and His Blessed Mother. I will never forget Suzanne's generous spirit while we were classmates together at Thomas More College, and her patience while suffering these past two years. The Class of 1997 was so fortunate to know her and learn from her piety. I'll miss our laughs and her phone calls which always began with an upbeat, "Hey Mooney!" Until we meet again, may her soul and the souls of all the faithful departed through the mercy of God Almighty rest in peace. Amen.

“Does Jesus care when I've said "good-by" to the dearest on earth to me, And my sad heart aches, till it nearly breaks, is it aught to Him, does He see?

Oh yes, He cares, I know He cares, His heart is touched with my grief. When the days are weary, the long night dreary, I know, my Savior cares."

The words of this old hymn are very comforting. We love you all.
