“ *I will forever be grateful to you for taking care of my Dad. You truly took the words “ in sickness and health“ to heart and you were an angel on earth for doing all that you did. You left us way too soon and you will be dearly missed. Tell Dad I said hello and watch over us.*

“ I'll never stop missing you. You loved me like I was your own flesh & blood. But even more than that, you loved my daughter, as if she were your own grandchild. I'll never be able to thank you enough, for all you and daddy sacrificed for us. For all the times you showed up for me. I just wish I would of been able to tell you goodbye. You left us way to soon, I was wasn't ready to lose you too. I thought I had more time, I'm so sorry I wasn't there. I'll never forgive myself for that. I just pray you somehow knew, how loved you were by me & Rylee. Because you meant everything to me. & My life will NEVER be the same now, without you. I will try to find peace knowing you & daddy are together again. Please watch over us.
