“ I met Terry nine months ago when I moved to Rayne from Marrero La., first thing he told me, hello my name is Terry and this is my dog TMom if there's anything I can help you with just let me know. Coming from a city like Marrero I wasn't use to that kind of welcome to the neighborhood. He made me feel at ease and our friendship grew rapidly. He was a man always ready to help anyway he could. I truly believe he loved everyone on David Neil Road. He will be missed. I haven't met his family but his extended family (The Istre) I do know and he adored them as he did his family. In Terry's name Lord I ask that You wrap your arms around his family and the Istre. Give them comfort and peace. RIP : Terry you're our Angel now. Fly high. I will surely miss having you around. Forever Diana
