“ I just learned of the passing of one of my first cousins—Terry Lee Tucker Houston. I lived with the family in St . Petersburg during the summer of 1958, working for their father and being treated. Wonderfully by her mom, Aunt Mary Rose and her father, Sonny Tucker. Upon returning to Louisiana, I attended NE Louisiana College for a year, then graduated from LSU in Chemical Engineering in 1962. I was employed by a division of Kodak in Longview, TX for 39 yrs. I loved all three girls and always hoped to see them again. I especially loved Aunt Mary Rose, who could not have treated me better. Please pass this note to the family with my love and wishes for the best for all.
