“ *Oh my gosh the fun we had and the stories we got. The first time I brought you Geocaching with me, or the time we tried to find the monastery "follow the fruits", or stuck on them "roustabouts" in Youngsville. I loved every moment and every laugh together. You loved Peggy and all the family so much. You loved to serve and help people. Many thanks for showing me the heart of a humble servant. Say hey to Fr. Bill. I love you and miss you*

I always appreciated the encounters I had with Tommy. Tommy was sincere and I loved him for that attribute. I was comforted by his friendship.
