“ *It was always BLAKE MECHE. BLAKE TERRO, BLAKE CARY. She would never forget to shout our last names because of the many Blakes that Blale Terro would have over. I can hear her voice like it was yesterday. May you rest in peace Momma Tina.*

“ *As you are laid to rest today my sweet cousin. I will never ever forget the most awesome memory of us and it was when your mom and dad let you and Gina come back to Missisdippi with me at the age of 16 by ourselves. You were 12 and Gina 14. We had a great time and me and Gina didn't worry because you were doing it all especially the morning we woke up and decided to drive to Memphis and see Elvis Presley's house without anyone knowing... Rest In Peace and fly high my sweet cousin love you.*

“ I have so many memories of her. She has been my friend since first grade. It breaks my heart to know that I will never get to share the rest of my life with her. She just became a grandmother. This was something she has been wanting for so long. She bought things for this grandchild before Blake even got out o high school. I know she has tons of stuff in her attic that she has been saving for this grandchild. I wish this is something we could have shared together. However, if God called her, he has better plans for her life than the plans I had. We shared so many things together, but one thing we never did was get drunk together. I was such a drunk as a teen and she just never wanted to do anything wrong. Her tender heart and kindness will never be forgotten.

Tina you will be in my hear forever. I will see you again my friend and I know we will pick up just where we left off just as we always have. Watch over me while you are with God and give me all the help you can. I will pray for you as much as I can. I have been truly blessed to have had you as my friend for so long.

Love you,  
Peg
