“ *I miss you everyday.
You were the best friend I never had and there isn't a day that goes by, that I don't get choked up from the thought of you not being here.
God did his big one when he made you, Monkey.. and I miss you so much!
You're always safe and closest to my heart.
Until we meet again, my baby.
Forever and always, I love you! 🙏❤️*

“ kim, abby, and I all send our heartfelt condolences. kristy, once again, mother to mother, we aren't supposed to have to bury our children. I still feel like someone ripped my heart out of my chest. she was beautiful inside and out. her life was finally going great. I was truly so happy for her. I am going to miss that beautiful smile as she would come bouncing up my sidewalk. too soon. just way too soon. I am so sorry. <3
