“ I cant remember a time when Taunt Lou and Uncle Freddy and family weren't with us! From Bayou Coubalieu to the coonass riviera (Aka - Holly Beach) Man we passed some good times back in those days! I was closer to them then any of the others. I am sorry I couldn't make her funeral. Circumstances didn't allow but the memories that are left with me are awesome! She will be truly missed and she as hell was loved by all! Rest in peace my beautiful sweet Taunt. To all the kids sorry for your loss our prayers go out to all of you.....

“ Aunt Lou will be so missed she was a great lady. As I came into this family she always made me feel so comfortable. She fell in love with my little Logan or asked family calls him "Chanz'e" Then when Samuel came along she fell in love with his beautiful red hair! I remember her telling me that Dillan was the combination between Bobby and I. I had a lot of love and respect for that lady I'm so sorry for your loss. And I would be there at the services but I have pneumonia and can't mingle right now. I'm homebound getting better sending my love to all of y'all.

“ I'm just so sad to hear this...Maw Lou was one of the most supportive people I've ever met. There wasn't a time that she wasn't right there with us (I was a member of a sorority with her daughters Marlene and Donna). You were funny, gracious and will be missed terribly. Much love to Marlene and Donna and their entire families.
