“ Scotty, you have my sincerest condolences. Ricky, Denise, Keena, and Aunt Carolyn, you all as well. I've known Mr. Billy my entire life. He's a great man, father, step-father, husband and friend. He was one of Dad's best friends for as long as I remember. And he was a dear friend to me! He is and will be, sorely missed. All of you have my deepest sympathy. Bless all of you.

“ There was always a playful side for Mr. Billy Allemond, and for that reason many people loved him. There was also a hidden side, a treasure chest of wisdom and knowledge, which captivated most. I will miss my friend,

“ Mr Billy,
I truly loved every trip that I would bring Mrs Carolyn to Breaux Bridge. I will miss our visits, hearing your stories and laughing at your jokes. Although I only knew you a short time, that's all the time needed to witness what a great man you truly were. May your soul rest in eternal peace.

“ Our friendship with Billy and Carolyn will remain in our memories as among the most cherished ! Together we enjoyed many musical shows in our area, trips to Branson, Texas, Tennessee, the Southeast U. S. and Canada. We couldn't get him to go on a cruise because he said he had spent too much time on boats for his work. He and Fred were of similar disposition and got along so well. We dearly miss our times together!! Also his infectious smile and his many JOKES! We send our love and sympathy to dear Carolyn and all the family!!

Uncle Billy holds a special place in our hearts, he had many interesting stories to share from his adventures from around the world.

He was well traveled, wise, charming, kind, generous and most of all loving. He was well respected and adored by so many of our family members in Malaysia.

May you Rest In Peace Uncle Billy ❤️

God already has a special place for you in heaven.

You will never be forgotten.
